The substitute specification filed 23 September 2004 has been accepted.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the substitute specification filed 23 September 2004, pages 53-55 have been deleted.

The deleted pages of the substitute specification contained a previous copy of the claims, and were thus confusing to the record. Thus, they have been deleted to clarify the record.
